The **first RHR World Record Cup** which brings record breaking to a new level.

This has never been organised before. RHR have listed many of the world's top record breakers from around the world since 2001. Below are some of the most outstanding performers of our time taking part in this ground-breaking event.

**BETWEEN CANADA \* INDIA \* UK \* PHILIPPINES \* GERMANY \* USA \*  
KOSOVO \* PAKISTAN \* TUNISIA & NEW ZEALAND**

Each team will attempt to amass points over the last two weeks of April 2007 at different locations around the world - 1 point for setting a record; 2 points for beating one's own record; and 5 points for beating someone else's record.

For the United States venue on April 20<sup>th</sup>, an additional event will run side by side. CONEY ISLAND SIDESHOW™'s "CONGRESS OF CURIOUS PEOPLE" is inviting sideshow performers to attend the festival of **STRANGE AND UNUSUAL FEATS**. Performers can either attempt to set or break a record or just show off their material.

For list of dozens of records / record breakers and performers, contact David Adamovich.

**TAKE NOTE: *A talent scout from Ripley's™ BELIEVE IT OR NOT! will attend (overseas) to seek talent for potential appearance in future Ripley's™ publications.***

Record Holders Republic and Ripley's™ will independently review all talent and determine whether performers' feats qualify as records, are of interest to Ripley's™, or possibly both. There is no relationship between the two.
