My guidance for attempting to break the world record for the Fastest jellybean sorting by straw

If you don't mind playing with junk food, then get a straw and start the fun. Be prepared to get dizzy, to battle for hours, and to find your saliva splatters all over the table!

To start, gear up for a few rules, such as:

- use the right size of jellybean.
- use the right kind of straw.

Sometimes you've just got to have fun in life. This is a great chance to get others to laugh at you, whether you're at home or in your business office.
