My guidance for attempting to break the world record for the Most baseballs held in a baseball glove

If you like doing things at speed, you could consider giving this a try. You're going to have to find the right equipment, though. If you can do it, go and claim recognition that you are the best. By the way, it can't just be you, so get your friends to join the effort.

To start, gear up for a few rules, such as:

- use standard baseballs.
- have a timekeeper present.

You will need to be able to steady your hands, and your arm will have to be reasonably strong – do you know how much baseballs weigh? Time will tell if you can do this. Now its all over to you.

Still keen? WorldRecordChase.com is happy to mentor others wishing to attempt this world record, at reasonable rates.

Enjoy.
