My guidance for attempting to break the world record for the Greatest height to drop gambling machines

If you are adrenalin dependent and you're searching for something worthwhile to do, I can attest to the immense satisfaction this brought. Try and contain your excitement until your planning is complete, though, so you maintain your focus. And you should definitely remember one thing: safety must always come first.

To start, gear up for a few rules, such as:

- use a means of elevating your load.
- have witnesses present.

Do you have a safety consultant? If not, that's the very first thing I recommend. No, don't think about any plans unless your safety system is in prime condition. This could be dangerous. Think about it.
